TEXT OF SUPERINTENDENT'S REPORT

Department of Insurance Canada
Ottawa
September 15, 1983

To the Honourable Roy MacLaren,
Minister of State (Finance),
Ottawa.

Sir:

The text of my report is divided into three parts. The first deals with the registration of property and casualty insurance companies. The second part summarizes certain facts and figures of the property and casualty business transacted in 1982. The last part of the text deals with general matters affecting property and casualty insurers registered to transact business in Canada.

REGISTRATION OF PROPERTY AND CASUALTY INSURANCE COMPANIES, 1982

At the end of 1982 there were 240 property and casualty insurance companies registered with the Department of Insurance. The following table shows the distribution of companies by nationality with comparative figures for 1981 in parentheses.

	Canadian	British	Foreign	Total

LETTERS PATENT ISSUED UNDER THE CANADIAN AND BRITISH INSURANCE COMPANIES ACT

The amendments to the Canadian and British Insurance Companies Act, effective March 12, 1970, enabled the use of letters patent as an alternative to the Special Act procedure for the incorporation of new Canadian insurance companies and for changes in the charters of existing Canadian insurance companies and fraternal benefit societies. During the year, an additional twenty-one sets of letters patent have been issued: One new insurance company was incorporated, and revisions to the charters of twenty insurance companies were made.

Property and Casualty Insurance in Canada

During the year net property and casualty premiums written in Canada by registered companies amounted to $6,025 million, net premiums earned amounted to $5,780 million and net claims incurred amounted to $4,352 million. Canadian property and casualty companies were not required to report in 1982, separate figures for their out of Canada business if the gross or net premiums for such business accounted for less than 10% of their total gross or net premiums. As a result, the figures on this page, as "in Canada" include a small amount of out of Canada business. However, the effect on the industry aggregates is not significant. These figures exclude marine insurance and are the net amounts after deducting all reinsurance.

The following table shows figures for the last three years:

	1980	1981	1982
	$'000	$'000	$'000
Net premiums written................	6,263,525	5,362,089	6,024,736

Net claims incurred.................	4,832,493	4,109,842	4,351,796

It should be noted that prior to 1981 the accident and sickness business transacted by life insurance companies and those companies transacting only accident and sickness insurance was included in this Report. As of 1981 this business is included in the Report of the Superintendent of Insurance for Canada - Abstract of Statements of Life Insurance Companies and Fraternal Benefit Societies. This change was made because companies transacting accident and sickness insurance only and accident and sickness branches of life insurance companies now report their business in the annual statement form prescribed for life insurance companies.

The distribution of premiums written among Canadian, British and foreign companies for the last three years is shown in the following two tables. Marine insurance has been excluded in both tables.

Property and Casualty Insurance in Canada

The Department has continued the practice of collecting information about premiums written and claims incurred by companies operating under provincial jurisdiction only. The figures have kindly been furnished by these companies in response to a circular letter issued by the Department, and while replies have not been received from all of them, the omissions are not believed to be important. These figures have been incorporated in the following table to show the total property and casualty insurance in Canada. (Claims include adjustment expenses.)

Property and Casualty Insurance

General Remarks

Operating results of property and casualty companies improved during 1982, as compared with 1981. Underwriting losses of all registered companies totalled $533 million, compared to underwriting losses of $872 million in 1981 and $513 million in 1980. Claims, commissions and general expenses as a percentage of earned premiums declined to 108.7 per cent in 1982 from 116.7 per cent in 1981 and 111.1 per cent in 1980. Investment income for 1982 amounted to $1,016 million, virtually unchanged from the $1,001 million reported in 1981. Net income for all registered companies in 1982 more than tripled to $379 million from the $114 million reported in 1981. Net profits reported by Canadian companies were 9.4 per cent of invested capital (shareholders' equity) in 1982, compared to 6.6 per cent in 1981 and 6.9 per cent in 1980. British and foreign companies operating in Canada reported net profits of 8.8 per cent of net premiums written in 1982 compared with a net loss of 0.5 per cent of net premiums written in 1981. The corresponding figures for Canadian incorporated companies were net profits of 4.7 per cent in 1982 and 3.2 per cent in 1981.

Automobile premiums amounted to $2.90 billion in 1982, an increase from the $2.52 billion level reported in 1981. Automobile premiums, as a per cent of total premiums, increased from 45.3 per cent in 1981 to 46.7 per cent in 1982. Premium volume for property insurance increased from $2.15 billion in 1981 to $2.37 billion in 1982. The overall claims ratio experienced in the industry (excluding marine business of British and foreign companies) decreased to 75.6 per cent from 81.8 per cent in 1981. The claims ratio for property insurance declined to 70.3 per cent from 77.0 per cent in 1981, while that for automobile insurance declined to 77.6 per cent in 1982 from 91.0 per cent in 1981.

Net premiums written in Canada (excluding marine business of British and foreign companies) for 1982 totalled $6.21 billion, an increase of 12.1 per cent over the 1981 volume of $5.54 billion. Canadian incorporated companies decreased their share of the market and accounted for 66.9 per cent of net premiums written by registered companies in 1982 compared with 69.1 per cent in 1981.

The long term trend in capital and surplus margins of property and casualty companies has been downward, and although the operating results for 1982 show some improvement over the previous year, there is little evidence that the downward trend has been reversed. For example, in 1965 Canadian property and casualty companies had approximately $2.36 in liabilities for each dollar of capital and surplus. By 1970 the figure had increased to approximately $2.53 in liabilities for each dollar of capital and surplus. The ratio continued to deteriorate and by 1980 Canadian companies averaged $3.30 in liabilities per dollar of capital and surplus. In 1982 the figure improved somewhat to $3.10, compared to $3.59 in 1981, but these figures are far from historic norms. It is to be hoped that the average financial strength of companies will continue to improve over the next few years.

Cardinal Insurance Company

On July 30, 1982, the Supreme Court of Ontario, on application by the Attorney General for Canada, directed the Superintendent of Insurance to take control of the company and to wind it up pursuant to the provisions of the Winding-up Act. Pursuant to subsection 91.3(3) of the Canadian and British Insurance Companies Act, the Superintendent has appointed Price Waterhouse Limited as his agent to carry out the winding-up of Cardinal. Unless Cardinal is successful in pursuing litigation commenced prior to the date of liquidation against its major reinsurer and the brokers responsible for arranging the reinsurance, it is unlikely that claims and unearned premium refunds will be paid in full. No disbursements have yet been made to policyholders or claimants, but it is expected that application will be made to the Supreme Court of Ontario before the end of 1983 for an interim disbursement to policyholders and claimants. The report of the Superintendent for the year of business 1983 will provide additional details.

Pitts Insurance Company

On November 6, 1981, the Supreme Court of Ontario, on application by the Attorney General for Canada, directed the Superintendent of Insurance to take control of the company and to wind it up pursuant to the Winding-up Act. Pursuant to subsection 91.3(3) of the Canadian and British Insurance Companies Act, the Superintendent appointed The Clarkson Company Limited as his agent to carry out the winding-up of the company. The winding-up of the company's affairs is proceeding in an orderly fashion. On February 3, 1983, the Supreme Court of Ontario authorized a disbursement of 30 cents per dollar of claim to all policyholders and claimants as the amounts of their claims against the company are determined. It is expected that application will be made to the Court for a second disbursement before January 31, 1984. Current estimates are that by the end of the liquidation, policyholders and claimants will receive between 65 and 75 cents per dollar of claim.

The Strathcona General Insurance Company

The Supreme Court of Ontario, on application by the Attorney General for Canada, directed the Superintendent to take control of the Company for the purpose of its rehabilitation on March 17, 1981. The rehabilitation was made possible by a consortium of insurance brokers, insurance companies and other interested parties that came forward with an offer of financial and administrative assistance that would allow Strathcona General to meet its obligations to policyholders. Under the terms of the rehabilitation, the Northumberland General Insurance Company was appointed as agent of the Superintendent to administer an orderly run-off of the Company's business. The winding down of the Company's affairs proceeded in an orderly manner, with claims being paid in full as they were settled.

On August 31, 1983, the Supreme Court of Ontario, on application by the Attorney General for Canada, directed the Superintendent to relinquish control of the Company in order to permit Strathcona to amalgamate its business with that of Northumberland. The amalgamation was effective on the same date as the Court Order, August 31, 1983. As at that date, approximately $5 million in Strathcona claims still outstanding were assumed by Northumberland General. Under the terms of the amalgamation agreement, Northumberland General, the amalgamated company, assumed liability for the obligations of each of the amalgamating companies. As a consequence of these developments the Superintendent was released from his role as rehabilitator of Strathcona and Strathcona's remaining liabilities were assumed and are being settled in full by Northumberland.

Respectfully submitted,

R.M. Hammond,
Superintendent of Insurance.

LETTRES PATENTES EMISES EN VERTU DE LA LOI SUR LES COMPAGNIES D'ASSURANCE CANADIENNES ET BRITANNIQUES

Les modifications apportées à la Loi sur les compagnies d'assurance canadiennes et britanniques, mises en vigueur le 12 mars 1970, ont permis l'utilisation de lettres patentes à la place de la procédure de la Loi spéciale lorsqu'il s'agit de constituer en société de nouvelles compagnies d'assurance canadiennes et de modifier les chartes des compagnies d'assurance et des sociétés de secours mutuels canadiennes existantes. Durant l'année, vingt-et-un jeux de plus de lettres patentes ont été émis; une nouvelle compagnie d'assurance a été constituée en société et des révisions ont été apportées aux chartes de vingt compagnies d'assurance.

Assurance de biens et de risques divers au Canada

Au cours de l'année, le montant net des primes d'assurance de biens et de risques divers souscrites au Canada par les compagnies enregistrées s'est élevé à 6,025 millions $; le montant net des primes gagnées, à 5,780 millions $; et le montant net des réclamations réalisées, à 4,352 millions $. En 1982, les compagnies canadiennes d'assurance de biens et de risques divers n'étaient pas tenues d'inscrire des chiffres distincts pour leurs affaires hors du Canada si les primes brutes ou nettes étaient moins de 10% de leurs primes totales brutes ou nettes. Conséquemment, les chiffres inscrits sur cette page sous la rubrique "Au Canada" comprennent un certain montant d'affaires hors du Canada. Toutefois, cette variation a peu d'importance si l'on considère l'ensemble de l'industrie. Ces chiffres, qui ne comprennent pas l'assurance maritime, représentent les montants nets après déduction de la réassurance.

Le tableau suivant donne les chiffres pour les trois dernières années:

	1980	1981	1982
	'000$	'000$	'000$
Primes souscrites nettes.............	6,263,525	5,362,089	6,024,736

Réclamations réalisées nettes........	4,832,493	4,109,842	4,351,796

Il est à remarquer qu'avant 1981, l'assurance accident et maladie souscrite par les assureurs-vie et par les compagnies qui ne souscrivaient que ce genre d'assurance figurait dans ce rapport. Depuis 1981, ces opérations sont incluses au Rapport du surintendant des Assurances du Canada - Résumé des états financiers des assureurs-vie et des sociétés de secours mutuels. Cette modification découle du fait que les compagnies qui ne souscrivent que l'assurance accident et maladie et les secteurs des assureurs-vie souscrivant l'assurance accident et maladie utilisent le même formulaire annuel d'information qui est prescrit pour les assureurs-vie.

Les deux tableaux ci-après indiquent la répartition des primes souscrites entre les compagnies canadiennes, britanniques et étrangères pour les trois dernières années. L'assurance maritime est exclue des deux tableaux.

Assurance de biens et de risques divers au Canada

Le Département a maintenu l'usage de recueillir des renseignements se rapportant aux primes souscrites et aux réclamations réalisées par les compagnies dont le fonctionnement relève uniquement de l'administration provinciale. Ces compagnies ont eu l'obligeance de fournir les chiffres en réponse à une lettre circulaire du Département; des réponses n'ont pas été reçues de toutes les compagnies mais les omissions ne sont pas jugées importantes. Ces chiffres ont été incorporés au tableau suivant pour indiquer le total des assurances de biens et de risques divers en vigueur au Canada. (Les réclamations comprennent les frais de règlement.)

Assurance de biens et de risques divers

Observations d'ordre général

Les résultats d'exploitation des compagnies d'assurance de biens et de risques divers se sont améliorés en 1982 comparativement à 1981. Les pertes d'exploitation de toutes les compagnies enregistrées ont totalisé 533 millions $ par rapport à celles de 872 millions $ en 1981 et de 513 millions $ en 1980. Les réclamations, commissions et frais généraux, exprimés en pourcentage des primes gagnées, ont diminué, se situant à 108.7 pour cent en 1982 comparativement à 116.7 pour cent en 1981 et à 111.1 pour cent en 1980. Le revenu des placements pour 1982 s'est élevé à 1,016 millions $ et est demeuré presque inchangé par rapport à celui de 1,001 $, déclaré en 1981. En 1982, le revenu net de toutes les compagnies enregistrées a plus qui triplé et s'est établi à 379 millions $ comparativement au montant de 114 millions $ déclaré en 1981. Les bénéfices nets déclarés par les compagnies canadiennes ont été de l'ordre de 9.4 pour cent du capital investi (avoir des actionnaires) en 1982 contre 6.6 pour cent en 1981 en 1981 et 6.9 pour cent en 1980. Les compagnies britanniques et étrangères qui exercent des activités au Canada ont déclaré des bénéfices nets de 8.8 pour cent des primes nettes souscrites en 1982 comparativement à une perte nette de 0.5 pour cent des primes nettes souscrites en 1981. Les chiffres correspondants concernant les compagnies constituées en corporation au Canada ont été des bénéfices nets de 4.7 pour cent en 1982 et de 3.2 pour cent en 1981.

Les primes d'assurance automobile se sont élevées à 2.90 milliards $ en 1982, soit une augmentation par rapport au montant de 2.50 milliards $ déclaré en 1981. Les primes d'assurance automobile, exprimées en pourcentage des primes totales, sont passées de 45.3 pour cent en 1981 à 46.7 pour cent en 1982. Dans le cas de l'assurance de biens, le volume des primes est passé de 2.5 milliards $ en 1981 à 2.37 milliards $ en 1982. Le taux des réclamations globales qui ont été soumises aux compagnies (à l'exclusion de l'assurance maritime des compagnies britanniques et étrangères) a fléchi, passant de 81.8 pour cent en 1981 à 73.4 pour cent en 1982. Dans le cas de l'assurance de biens, le taux des réclamations est tombé de 77.0 pour cent en 1981 à 70.3 pour cent en 1982, alors que, dans le cas de l'assurance automobile, il a chuté de 91.0 pour cent en 1981 à 73.4 pour cent en 1982.

Les primes nettes souscrites au Canada (à l'exclusion de l'assurance maritime des compagnies britanniques et étrangères) pour 1982 ont totalisé 6.21 milliards $, soit une augmentation de 15.0 pour cent par rapport au volume de 5.40 milliards $ en 1981. La part du marché des compagnies constituées en corporation au Canada a diminué et, en 1982, elle représentait 66.9 pour cent des primes nettes souscrites par les compagnies enregistrées comparativement à 68.2 pour cent en 1981.

La tendance à long terme des marges de capital et d'excédent des compagnies d'assurance de biens et de risques divers a été à la baisse et, même si les résultats d'exploitation pour 1982 témoignent d'une certaine amélioration par rapport à l'année précédente, il existe peu de preuves que cette tendance à la baisse ait été inversée. A titre d'exemple, en 1965, les engagements des compagnies canadiennes de biens et de risques divers représentaient environ 2.36 $ pour chaque dollar de capital et d'excédent. En 1970, le chiffre des engagements était passé à près de 2.53 $ pour chaque dollar de capital et d'excédent. Puis, le ratio a continué à se détériorer et, en 1980, les engagements des compagnies canadiennes représentaient en moyenne 3.30 $ par dollar de capital et d'excédent. En 1982, le chiffre s'était un peu amélioré, se situant à 3.10 $ comparativement à 3.59 $ en 1981, mais ces chiffres sont loin des niveaux historiques. Il est à espérer que la situation financière moyenne des compagnies continuera à s'améliorer au cours des prochaines années.

La Compagnie d'Assurance Cardinal

Le 30 juillet 1982, la Cour suprême de l'Ontario, à le demande du Procureur général du Canada, ordonnait au surintendant des Assurances de prendre le contrôle de la compagnie et de la liquider en vertu de la Loi sur les liquidations. Aux termes du paragraphe 91.3(3) de la Loi sur les compagnies d'assurance canadiennes et britanniques, le Surintendant nommait la Price Waterhouse Limited pour agir comme son mandataire pour procéder à la liquidation de la compagnie. A moins que la Cardinal ne gagne le procès en cours qu'elle a intenté avant le début de la liquidation contre ses principaux réassureurs et les courtiers responsables des procédures de réassurance, il est peu probable que les réclamations et les primes non gagnées soient remboursées intégralement. Aucun remboursement n'a encore été versé aux détenteurs de polices et sinistrés mais il est prévu qu'une demande sera présentée à la Cour suprême de l'Ontario d'ici la fin 1983 en vue d'effectuer un versement provisoire. Le rapport du Surintendant pour l'exercice financier 1983 fournira plus de détails à ce sujet.

Pitts Compagnie d'Assurance Générale

Le 6 novembre 1981, la Cour suprême de l'Ontario, à la demande du Procureur général du Canada, ordonnait au surintendant des Assurances de prendre le contrôle de la compagnie et de la liquider en vertu de la Loi sur les liquidations. Aux termes du paragraphe 91.3(3)

de la Loi sur les compagnies d'assurance canadiennes et britanniques, le Surintendant nommait The Clarkson Company Limited pour agir comme son mandataire pour procéder à la liquidation de la compagnie. Les procédures de liquidation se déroulent de façon méthodique. Le 3 février 1983, la Cour suprême de l'Ontario autorisait le remboursement de 30 cent sur le dollar de chaque réclamation aux détenteurs de polices et réclamants dès que les montants des sinistres sont établis. Il est prévu qu'une demande sera présentée à la Cour avant le 31 janvier 1984 en vue d'effectuer un deuxième versement. Lorsque la liquidation sera terminée, il est prévu que les assurées et les réclaments recevront entre 65 et 75 cents sur le dollar de chaque réclamation.

La Compagnie d'Assurance Générale Strathcona

Le 17 mars 1981, la Cour suprême de l'Ontario, à la demande du Procureur général du Canada, a ordonné au surintendant des Assurances de prendre le contrôle de La Compagnie d'assurance générale Strathcona aux fins de l'assainissement de sa situation. L'assainissement a été rendu possible grâce à un consortium de courtiers, de compagnies d'assurance et d'autres parties intéressées qui ont offert une aide financière et administrative qui permettait à Strathcona de respecter ses engagements envers ses détenteurs de polices. En vertu de l'assainissement, la Northumberland Compagnie d'Assurances Générales a été désignée comme mandataire du Surintendant pour mettre fin de façon méthodique aux affaires de la compagnie. L'écoulement des affaires de la compagnie s'est effectué dans l'ordre, les réclamations étant remboursées intégralement au fur et à mesure de leur règlement.

Le 31 août 1983, la Cour suprême de l'Ontario, à la demande du Procureur général du Canada, a ordonné au Surintendant d'abandonner le contrôle de Strathcona afin de lui permettre de fusionner ses affaires à celles de Northumberland. La fusion entrait en vigueur le jour même de l'ordonnance de la Cour, le 31 août 1983. Northumberland assumait alors environ cinq millions de dollars des réclamations impayées de Strathcona. En vertu de la fusion, Northumberland, la compagnie née de la fusion, assume la responsabilité des engagements de chaque compagnie fusionnée. Cette mesure a eu comme résultat de libérer le Surintendant de sa charge d'assainir la compagnie et le passif résiduel de Strathcona a été assumé et est remboursé en entier par Northumberland.

Respectueusement présenté,

Le surintendant des Assurances,
R.M. Hammond.
